Dining Services

The University of Maine (“University”) and Teamsters local #340 (“Teamsters”), (jointly, “the parties”) agree to bid Dining shifts and allow employees to select shifts twice a year (academic year and summer schedules) based on seniority. This will apply only to employees of University of Maine Dining Services. This agreement is a result of a March 31, 2014, focus group between the University and Teamsters to discuss how Dining shifts are assigned. The parties agreed to the following:

- The University Dining Services will identify academic year and summer dining needs and create two separate schedules accordingly. The University will circulate the schedule with anticipated shifts, for employees to review. Academic year schedules will be put out to bid in March or April. Summer schedules will be put out to bid in late April or early May. Employees will have the option to select their desired shift based on seniority. During the pendency of the summer and academic year shifts may vary from year to year depending upon business and operational needs.

- The parties agree schedules might need to be adjusted based on business needs during the summer and/or academic year. The summer schedule is anticipated to be more variable as discussed during the March 31, 2014, focus group, given the variable and sometimes unexpected business and operational needs present during summer months. In the event a schedule change is needed the University will follow Article 18.6b of the Teamsters-UMS contract.

- Appendix D will take effect in May 2014 using the above methodology with monitoring of the impact on employees and the University. The parties agree to meet and discuss the functioning and impact on or about every August to discuss the previous summer and on or about every January to discuss the first half of the academic year. The parties agree to ongoing communication in good faith and may reconvene the focus group or a sub-group at the request of either party.

- The parties agree to meet and discuss application of the foregoing provisions at either parties’ request or before a grievance is filed as it relates to Appendix D.

- The foregoing provisions do not create a practice or precedent for purposes of interpreting and applying the Teamsters-UMS contract.
